There were two Board resignations in late 2011/early 2012 that resulted in two new members joining. J. David Christenson and Daryl Gessler both stepped down. They were replaced by Boyd Gustke and Ryan Kennedy respectively. Scott Bychinski replaced J. David as President and Mark Steinberg ascended to the role of Vice President. Boyd replaced Mark as Secretary and Ryan took over the Treasurer role from Daryl. 2012 also saw a large increase in assets which is likely to continue. The Board held discussions on increasing both the number and amounts of donations.
